Dear Mrs Client

We're moving your account/s to MyNorth®

PortfolioCare eWRAP Pension Account

In April 2025, we informed you that we'll be moving your account/s to MyNorth*. We're pleased to provide you with more information about the changes ahead.

Moving to MyNorth

The move to MyNorth is scheduled for 18 October 2025. To help you prepare, please be aware of the transaction processing freeze dates which may affect any planned transactions or changes on your account.

During the transaction processing freeze we'll transfer your account, investments and any insurance you have, to MyNorth. This period will commence from **8 October 2025** to **24 October 2025**. Prior to this we ask you to complete these actions if required:

- Change of investment options
- Any withdrawals
- Submit your 'Notice of intent to claim a tax deduction' form
- Account amendments
- Super to pension transitions
- Contributions (Electronic Fund Transfer (EFT), BPAY® and cheque)
- Employer and rollover contributions via SuperStream will be accepted until 16 October 2025.

Information guide enclosed

To explain the differences between your PortfolioCare account and your new MyNorth account/s, we've enclosed a comprehensive Information guide (Guide) which includes:

- Key dates
- Key product comparisons
- Fees and other costs
- Impacts of the move.

You can also visit northonline.com.au/mynorth for more information on MyNorth and view the MyNorth Super and Pension Product Disclosure Statement (PDS) and MyNorth Additional Information Booklet (AIB).

Your pension payments

After the move to MyNorth, your pension payments will remain the same. If you have an October pension payment due, you will be paid early on or around 8 October 2025.

After October 2025, your pension payments will return to their current arrangements, with payments made on the 20th of your nominated frequency (monthly, quarterly, half yearly or yearly). Your Centrelink entitlements won't be impacted as your original pension details will form part of your MyNorth account.

Action checklist

We encourage you to read the enclosed **Key actions checklist**. This details the action you'll need to take before **8 October 2025**, as well as after the move to MyNorth.
