

MyNorth[®] Super and Pension

Product update

15 October 2024

Super to Pension transfers

We've made some changes to allow you to transition from MyNorth Super to MyNorth Allocated Pension if you no longer have a financial adviser.

In general, if you no longer have an adviser, you can't open a new account with North.

However, from 1 July 2024 if you want to transfer from MyNorth Super to MyNorth Allocated Pension you may be able to do so. You will need to complete a questionnaire provided to you, and based on your answers we will determine whether you are likely to be within the target market for a MyNorth Allocated Pension account.

We may, at our discretion, take other relevant factors into consideration to determine your eligibility to open any type of account in MyNorth Super and Pension.

More information can be found within the MyNorth Super and Pension product disclosure statement and additional information booklet.

To apply for a new Allocated Pension account, obtain copies of the relevant disclosure document and complete the questionnaire, contact the North Service Centre at north@amp.com.au or 1800 667 841.
