Employers – what you need to do

You have received this form as your employee has chosen to have their super contributions paid to the ipac iAccess Personal Superannuation Plan which is a complying super fund.

Chosen fund payment methods

Under SuperStream, the government's legislation for electronic super payments, all employers need to pay super contributions through a method that meets the SuperStream rules.

Employers can do this by using:

- their own software solution that complies with SuperStream
- a solution by an outsourced payroll or other service provider that complies with SuperStream
- a clearing house such as the Small Business Superannuation Clearing House

More information about SuperStream is available at ato.gov.au/Super/SuperStream or amp.com.au/regulatorychange/superstream.

To make contributions to the ipac iAccess Personal Superannuation Plan, refer to the **employer payment instructions** in section 4 of the enclosed **super choice fund nomination** form.
